"The hardest thing in the world to understand is the income tax." - *Albert Einstein*

### **practical experience**

Andries Myburgh is an Executive at ENSafrica in the Tax practice, and specialises in corporate and international corporate tax consulting and tax dispute resolution assistance.

Andries' experience includes advising companies (across various industries) on the tax implications applicable to a broad range of transactions, including merger and acquisition transactions (tax due diligence investigations and tax-efficient transaction structuring advice), management share incentive schemes, Employee Share Ownership Plans (ESOP), Black Economic Empowerment (BEE) transactions, private equity transactions, financing/funding arrangements and corporate restructures.

Andries also has extensive industry experience in the mining sector, where he consults regularly to mining companies on a various range of domestic and international corporate tax, mining tax and mineral royalty-related matters.

From a tax dispute resolution perspective, Andries assists companies in responding to SARS audits/investigations, preparing and lodging objections and appeals, alternative tax dispute resolution and tax court matters.

Prior to joining ENSafrica in 2013, Andries was a tax partner in the tax & legal practice of KPMG where he held the positions of the head of corporate tax and the head of energy and natural resources tax.

Andries has authored articles for and has been quoted by numerous tax-related issues in publications including Mining Weekly, Mining Review Africa, Financial Mail and Business Day.

Andries is recognised as a leading/recommended lawyer by:

- Best Lawyers® 2022, 2021, 2020 – Tax (South Africa)
- Chambers Global Guide 2022, 2021 – Tax: Consultants (South Africa)
- The Legal 500 EMEA 2022, 2021, 2020, 2019 - Tax - Recommended / Key Lawyer (South Africa)
- World Tax Review – General Corporate Tax and Tax Controversy 2022 (South Africa)
