"no boundaries"

practical experience

Elsabe Strydom is an Associate at ENSafrica in the Tax department. She specialises in international tax, with a specific focus on transfer pricing, including the development of transfer pricing policies, preparation of benchmarking studies and transfer pricing compliance documentation, as well as assisting with transfer pricing audits.

Elsabe has assisted clients with their transfer pricing planning and compliance requirements in a wide range of industries, including print and electronic media, food and beverage, construction, automotive, oil and gas and retail. Her experience further includes advising on corporate and international tax and exchange control issues, as well as tax accrual reviews as part of the external audit within various industries.

qualifications

- BAccLLB (Stellenbosch University)
- MCom (taxation) (University of Cape Town)
- Admitted as an attorney of the High Court of South Africa
