"no boundaries"

practical experience

Leahandra Bailey is an Associate in the Project Development and Project Finance department at ENSafrica. She specialises in the commercial and regulatory aspects of energy-related projects.

Her experience includes advising clients on their renewable energy projects, including solar energy and biomass, several of which have been completed in terms of the Renewable Energy Independent Power Producer Procurement Programme.

In addition, Leahandra is also experienced in drafting and negotiating a range of commercial documentation including shareholders' agreements, sale of shares and share subscription agreements, memoranda of incorporation, as well as preparing due diligence reports. She also has experience in opinion work, regulatory compliance and legal research.

qualifications

- BSocSci LLB (University of Cape Town)
- Admitted as an attorney of the High Court of South Africa
