### **ENSafrica pays tribute to the life of Xavier Koenig**

Our friend and dear colleague Xavier Koenig passed away on 30 May 2019 at age 34, following a courageous battle with cancer.

Xavier, an executive in our Mauritius office, had an accomplished career at the firm as an insolvency and administration lawyer. In addition he was also a gifted athlete and a well-renowned squash player, having represented Mauritius at the 2014 and 2018 Commonwealth Games.

He will be greatly missed by all of us at ENSafrica, as we remember all that he achieved in his short life.

We extend our sincere and heartfelt condolences to Thierry Koenig his loving father and Head of ENSafrica | Mauritius, to Brigitte his mother and all of Xavier's family and friends. We share in your loss and can only imagine the depth of your personal sorrow.
