"work hard for a bright future"

practical experience

William Karaiga is an Associate at ENSafrica in Rwanda. He specialises in a number of areas of law, including corporate governance, employment, intellectual property, dispute resolution and energy. He also has expertise in the incorporation, registration, functioning and winding-up of companies.

William has acted for clients in a variety of industries, including the oil, tourism, hospitality and broadcasting industries.

His experience includes assisting local and international investors in establishing their businesses in Rwanda, representing and assisting different commercial companies before administrative authorities and courts of law, and drafting and negotiating a variety of commercial documentation.

William is fluent in English and Kinyarwanda and has a working knowledge of French.
