"no boundaries"

practical experience

Zara Sher is a senior associate in ENSafrica's Dispute Resolution department and insurance practice group.

She focuses primarily on insurance and construction disputes, but also on general commercial litigation matters.

Zara has a specific expertise in commercial business covers and is well versed in the various insurance product wordings including, for example, Assets All Risks (Property Damage and Business Interruption), Commercial Crimes, Cyber, Goods-in-Transit, Professional Indemnity, Directors' & Officers' Liability, General and Public Liability, and Construction and Engineering (including construction insurance guarantees).

She has extensive experience in analysing insurance programs and has a particular expertise in business interruption cover and specifically in the context of the COVID-19 Pandemic.

Zara has a particular interest in insurance claims disputes.

Zara regularly presents CPD accredited insurance seminars and lectures.
