"perseverance is the key to success"

### **practical experience**

Prince Acquaye is an International Associate at ENSafrica in Ghana. He specialises in intellectual property, immigration, corporate governance, general corporate commercial, and M&A.

He has acted for clients in a variety of industries including shipping, banking, insurance, health, food, telecommunications, transportation, oil and gas and law.

Prince's experience includes working on M&A, employment and other general corporate transactions. He has experience providing tax advice to clients in various sectors, advising on insurance matters, as well as assisting clients to comply with Ghana's data protection laws and other statutory obligations.

In addition, Prince also has extensive experience with Ghana's Immigration Service, where he assists clients with obtaining work and residence permits, emergency visas and visa extensions. His experience further extends to assisting clients with the incorporation of companies and compliance with continuous regulatory and legal obligations.

### **qualifications**
