"no boundaries"

practical experience

Mark Badenhorst is an executive consultant in ENSafrica's tax department. He is a transfer pricing expert with many years' experience advising numerous local and international clients in the automotive, hospitality, entertainment and gambling industries.

Mark also has expertise in settling transfer pricing disputes with SARS and is experienced in running tax litigation as well as alternative dispute resolution in respect of such disputes.

Mark is qualified as a chartered accountant and also has an LLB degree.

In addition, Mark has advised on a wide range of indirect, corporate and international tax matters relating to M&A, inward and outward investments, restructurings and rationalisations, and he has assisted numerous clients with a wide range of applications to the South African Reserve Bank.
