ENSafrica is a distinguished firm with a strong commercial practice and benefits from a stellar reputation in the mining sector

Chambers Global

ENSafrica Namibia is a corporate law firm with offices in Windhoek, Swakopmund and Walvis Bay.

Our dedicated team of lawyers is able to advise you on a broad range of matters across the legal spectrum, not only in Namibia, but also in the rest of Africa and internationally.

Because we understand the legal, regulatory and economic context of doing business in Namibia, against the background of increased growth and development across the continent, we are able to guide you through any challenges which your business may face.

We are especially renowned for our work in mining, energy (including oil and gas), banking and finance, dispute resolution, employment, aviation, shipping, and regulatory / administrative law.

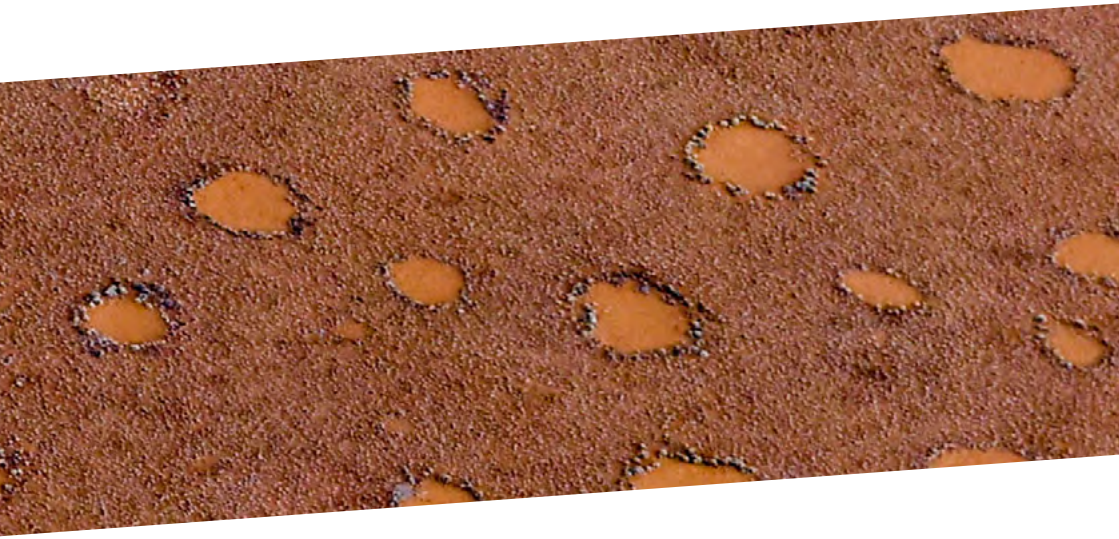
600+
PRACTITIONERS

12
OFFICES
IN 7 COUNTRIES



We have the unique advantage, as part of Africa's largest law firm, of being able to harness the expertise of more than 600 practitioners throughout the continent.

ENSafrica has a significant breadth and depth of experience and specialist expertise that spans all commercial areas of law, tax, forensics and IP.

As such, we regularly partner with specialists across the firm, meaning that we are able to assist with all aspects of all matters across all sectors in all African jurisdictions, ensuring that your legal requirements are handled quickly and seamlessly.

Our key differentiator is that we operate as one firm across Africa. All of our offices are fully integrated and work as one team.

By leveraging the complementary expertise, skills and resources of each of our offices, work is always done by the practitioner who can do it best, at the most affordable rate.
